The World LPG Association

- Global association promoting the use of LPG
- Based in Paris, France
- 200 members
- 125 countries

As the authoritative, global voice for LPG,
the WLPGA promotes the use of LPG
worldwide to foster a cleaner, healthier
and more prosperous world.

Cooking For Life

- 3 billion people
- 40% of the planet
- Lack access to clean cooking & heating solutions

Aims to convert **ONE BILLION** people from cooking with harmful fuels to cooking with LPG.

COOKING
FOR LIFE

Women in LPG Global Network

I want every little girl who is told
she is **bossy** to be told she has
leadership skills. ~Sheryl Sandberg

What does a WLPGA panel look like?

An Opportunity

There is an opportunity for the global LPG industry to address the issue of attracting, retaining and developing women in the industry.

WLPGA is uniquely positioned to develop and implement such a network.

WINLPG is a network for women and men who have a professional interest in the LPG sector and support the network's objectives.

Taking Inspiration from Similar Groups

Three Pillars of Objectives
